P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

This Information Disclosure Statement is submitted in compliance with Rules 1.97 and 1.98 and in fulfillment of the duty of disclosure under Rule 1.56. The items listed on the attached Form PTO-1449 are discussed on page 2 of the present specification, except U.S. 4,463,113, which corresponds to JP 58-001736, one of the references discussed on page 2. Copies of the Japanese publications are enclosed, together with English language abstracts thereof. A copy of U.S. '113 is not included in view of the USPTO waiver of the requirement to submit copies of U.S. patents and patent publications in applications filed after June 30, 2003. The discussion on page 2, abstracts, and inclusion of the corresponding U.S. patent satisfy the requirement for a concise explanation of relevance of the foreign documents. The Examiner is courteously requested to initial and return a copy of the accompanying Form PTO-1449 to confirm consideration of the listed items and their entry into the record.

Respectfully submitted,
